IN THE POLITICAL ARENA.

A Batch of Denials From the Republicans.

THE THREE L. COMBINATION.

LIQUOR DEALERS' ASSOCIATION IS STILL PEGGING AWAY.

The A. P. A. Said to Be in the Field—David Sharp Talked of By Republicans as Candidate For Sheriff—Meeting of Fifth Precinct Democrats—Political Notes.

Matters political yesterday assumed a tropical nature. That is as regards Republican candidates. Every one of the would-be's had something to say and all wanted to go on record as denying the soft impeachment. Joe Lippman was especially vigorous in protest. He declared that The Herald had done him an injustice in asserting that he would expend \$30 in the coming campaign, whereas his intention was to disburse three dollars only. The correction is cheerfully made.

Billy Lynch too has a kick. He asserts that his connection with the three L. combination—Lippman, Leonard and Lynch—is so remote, except alphabetically, as to be simply "all the way." Doc Whitney objects to the expression "teeth extracted while you wait," and several more counties are to hear from.

This embraces the combined kicks up to date. The Liquor Dealers' association is still pegging along and from the result obtained by P. W. McCaffrey, esq., the special constable appointed to ascertain the number of liquor men in Utah, it appears that 667 will be enrolled in the territorial organization. McCaffrey was approached yesterday by an attorney, absolutely refusing to give up any information whatever. Doc King was more susceptible. Doc is collecting the dues and has been told that he could not get a blind man to regain his vision. Three thousand five hundred dollars has been already paid in, it is said, and more is to follow.

The A. P. A. has a man or two out and the order will be a factor in the campaign. Every candidate who affiliates with the Roman Catholic church will be knifed, no matter upon which ticket his name appears, and, in the language of W. L. Dykes, "The society has 1,500 votes."

Such is the situation up to date, as viewed from a general standpoint.

As regards particularization, the following is quoted: Heber M. Wells denies that he is a candidate for county treasurer upon any ticket and says he does not want the place under any consideration.

David J. Sharp is a candidate, however, and is working hard. The applies, of course, to the Republican ticket.

Seventh ward Republicans deny that Al. M. Kalkin is a candidate for county attorney and say that he could not go into convention with the support of the ward.

Sam Westerfield denies that he has opened a barrel in opposition to Fred Leonard, and that he is still "in the hands of his friends."

Instructions to Committees.

Under date of August 29, the Democratic county committee sends out the following:

County Committees: You are hereby notified that the Democratic county committee of Salt Lake county, is called and will be held at headquarters, Saturday, September 1, next, at 1 o'clock p. m., to take action with reference to calling county conventions for the election of delegates to the Territorial Democratic convention.

The purpose of the convention is to nominate a candidate for delegate to Congress, and also county conventions for the nomination of candidates for county offices and delegates to the constitutional convention; also for the purpose of transacting such other business as may properly come before such meeting. W. C. HALL, Chairman.

Attest: B. T. LLOYD, Secretary.

Political Notes. The Democrats of the Fifth precinct will meet at headquarters tonight for the purpose of organizing a precinct committee. It has been suggested that the precinct committee be organized on Second West between Tenth and Eleventh South streets. The damages were nominal.

that he has recently completed an official investigation of the coal mines at Castle Gate, Winter Quarters and Scofield. He says that all the mines at the above noted places are properly timbered, but that he found some boys under age at work, and some men "over age," all of whom were promptly dismissed upon his recommendations. That the readers of this paper may understand the reasons for the latter, explanation is advised. It has become a custom, almost, to give old men the charge of explosives, and as this necessitates action night and day, the inspector has deemed it best that younger men be selected.

Mine owners generally have agreed with him as regards suggestions, and everything is working smoothly.

MARY'S GREAT SORROWS.

Mrs. Hayes Says Her Husband is No Angel By a Good Deal.

Butte, Aug. 27.—Mrs. Mary Hayes today made an interesting answer in the district court to the complaint of her husband, Robert Hayes, in a suit for divorce. She denies that she deserted her husband on the 1st of January of last year, but on the contrary, she says they lived together as husband and wife in the Gordon block during the months of October and November of last year, and that she left the city December 8, with his consent and with no intention of deserting him, although he has since requested her not to return to him, says the Anaconda Standard. She went to Salt Lake, and he has frequently sent her money, the last remittance being in April.

Mrs. Hayes denies, "upon information and belief," that she has an exceedingly disagreeable disposition or that her husband's life has been or would be a continual one of pain and mental trouble on account of her disposition. On the contrary, she says, relying upon what her husband had often told her, she believes that his disposition at all times and under all circumstances has been most amiable and gentle, and that he could not live without her." Mrs. Hayes denies that she has ever been criminally intimate with any one, but on the contrary alleges that she has always been faithful and true wife to the plaintiff.

She says her husband is an able-bodied man, with good health and that he has the ability and capacity to make money, and that he is a very industrious and prudent man. She therefore asks the court to compel him to pay her \$50 alimony during the pendency of the case and \$250 attorney's fees. She says she is at present in the city and is without means of support. She also asks that her husband's action for divorce be dismissed. J. D. Alsop is her counsel.
